Commissioner of Patents and Trademarks

The amendment filed on 10-3-02 is not fully responsive to the prior Office action because the response is directed as if U.S. Patent 6,362,052 was the reference used in the rejection when the reference used was actually U.S. Patent 6,194,278. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply.
